

improvements

Rainy days

- Changed my hover color in navbar to a darker color.
- removed some comments that made the code look messy
- ([commit rainy days](#))

Semester-project-1 (science museum)

- i have only removed comments on this project because i really liked the project and feel i dont need to improve anything beside JS. and because i have limited time i would not start on this
- ([commit Tech vault musem](#))

Semester-javascript (Gamehub)

- here i only removed a wrongful import, to make sure i dont get an error in my code,
- ([commit Gamehub](#))
